

Meet the Highlanders

C3M stands for **Church in the Third Millennium**. Two thousand years have come and gone since the church was birthed. Since that time there have been many changes - some good and some not so good. Once again in our day God is bringing a fresh wind of the Spirit to His Church - His beloved Bride. His goal is to prepare her for a last days ministry that will be unlike anything that we have seen before.

C3M Ministries is committed to a second reformation that is taking place in the Church in our days. To reform something means you take the original substance and reshape it. It does not mean changing the substance or tossing it out and creating something new. The Gospel message will never change however, the way we seek to present it does need to adapt from culture to culture and from society to society.

The church today has gotten stuck in practices and patterns that were established centuries - and in some cases - millennia ago. Many of these practices were not even Biblical.

C3M Ministries is committed to helping restore the modern church to the faith and practices of the first century church in preparation for an outpouring of God's Spirit in these last days. Our purpose is to facilitate this reformation in churches and individuals.

Steve and Brooke Highlander are the founders of C3M Ministries. They have a heart to see the church return to New Testament expressions of faith and practice. The couple also serve on the leadership team of Christ's Church in Nevada, MO.

Steve was saved in 1980 and filled with the Holy Spirit in 1983. Since that time he has been serving the Lord continually in a variety of ministries. He has served as pastor of 4 churches, done mission work in Africa, Mexico and the Philippines and has led several hundred services inside of prison and county jails. Steve served as Chaplain for the State of Missouri, National Guard, Show-Me Challenge Program for at-risk teens, and as Chaplain at a private mental health facility for youth. He has a doctorate in Pastoral Theology and is a Certified Christian counselor. He also writes extensively and ministers online through his TalkToAPastor.com web site. His personal area of interest is Church history and Old Testament types and shadows.

Brooke was saved at 9 years old and filled with the Spirit at age 12. She travelled with her family to Hawaii to be a part of Youth With a Mission (YWAM) as a teen. She later married and spent 6 years in Australia as a itinerant ministry. Brooke is a worship leader with a prophetic voice. She has a Master's degree in Applied Psychology and a Doctorate in Christian Counseling. She is also a Certified Christian Counselor. She has worked with at-risk teens and the developmentally disabled for the State of Missouri for many years.

Regular Services

We are available for regular church services or teaching times.

Revival Meetings

We love to do extended services over a two or 3 day period. This allows us to get the sense of what God is doing in your midst and gives us the time to adequately minister on the subjects we are presenting.

Freedom Seminars

Freedom seminars are multi-session seminars on a variety of subjects. Seminars follow a teaching syllabus and focus on a specific topic, covering it in detail. Seminar participants walk away with a deep understanding of the subject covered. Current **Freedom Seminars** include **The Freedom of Forgiveness, The Feasts of the Lord and Freedom to Minister**. We also have a 90 minute seminar on the **Prophetic Significance of 911**. Get more information on our web site.

Ministry/Leadership Training

C3M has a heart to train people to serve the Lord. Our Prep for Ministry seminar focuses on moving your group from believers to disciples & servants, with a solid emphasis on the fruit and gifts of the Spirit.
